

DESCRIPTION

The **GEFCO Select #EE135N Niche Mounted Submersible 120VAC Light Fixture** is constructed to provide medium dispersion of light and color rendition for low to medium range height spray effects or waterfalls. The light fixture is provided with integral bronze rock guard and niche assembly for pool floor mounted applications. The adjustability for light projection is at 15 degrees in any direction off of vertical. In plan view the fixture's rotation is set set in concrete. Adjustability is limited to 120 degree increments. A clear lens is normally provided. Colored lenses are available. The U.L. Listing limits this fixture to 250 Watts at 120 Volt. This unit is fitted for use with T4 Mini-can Halogen 130VAC lamps. Recommended lamp: QCL200 200W T4 Mini-can Halogen, 130VAC. Also available in free standing configuration (see EE135S type fixture).

TYPICAL SPECIFICATIONS:

- * **GEFCO Select #EE135N Niche Mounted Submersible 120VAC Light Fixture:**
- cast bronze fitted and SST fitted.
- single piece spun copper niche housing.
- U.L. Listed.
- 250 watt, 120 VAC. maximum.
- 15 feet of 16/3 cable.
- clear tempered glass lens.
- red silicon lens gasket.
- lamp required MR-16, LED, 12VAC.
- neoprene o-ring base seal.
- adjustable 15 degrees off of vertical.
- 200W 130VAC Lamp included.
- **FOR SUBMERSIBLE USE ONLY.**

IMPORTANT INFORMATION

The NEC Article 680-51(D) requires that "electric equipment which depends on submersion for safe operation shall be protected against overheating by a low water cutoff or by other approved means when not submerged." Other approved means are either GEFCO #EE115-Series or #EE140-Series water level control devices.
