

**DESCRIPTION**

The **GEFCO Select #PE109-Series Slab Penetrations** provide a cast in place, waterproof stub-up for piping entering the fountain basin. A water stop flange placed in the center of the slab penetration serves as both a leak proof device, to prevent water migrating along the outer edges of the pipe, and as a means for keeping the pipe in place and rigid, once the concrete has cured.

The GEFCO Select #PE109-Series Slab Penetration is available in one of two materials, copper or PVC. Copper penetrations are supplied with grounding screws and #8 wire to sufficiently ground the fitting.

The GEFCO Select #PE109-Series Slab Penetration is normally supplied as an 18" long fitting with the water stop flange welded or brazed at the center for Slab Penetrations 3" and below. 4" and up are supplied as 24" long. Other placement of flange is available at additional cost. When specifying, please use the following suffix to ensure the proper fitting is provided:

**GEFCO Select #PE109-**

- 05 1/2" dia. copper tubing.
- 07 3/4" dia. copper tubing.
- 10 1" dia. copper tubing.
- 12 1-1/4" dia. copper tubing.
- 15 1-1/2" dia. copper tubing.
- 20 2" dia. copper tubing.
- 30 3" dia. copper tubing.
- 40 4" dia. copper tubing.
- 60 6" dia. copper tubing.

- 05P 1/2" dia. PVC tubing.
- 07P 3/4" dia. PVC tubing.
- 10P 1" dia. PVC tubing.
- 12P 1-1/4" dia. PVC tubing.
- 15P 1-1/2" dia. PVC tubing.
- 20P 2" dia. PVC tubing.
- 30P 3" dia. PVC tubing.
- 40P 4" dia. PVC tubing.
- 60P 6" dia. PVC tubing.
- 80P 8" dia. PVC tubing.
- 100P 10" dia. PVC tubing.

**Note:**

All GEFCO Select #PE109-Series Slab Penetrations are supplied with the intention of being field cut once installed.

**IMPORTANT**  
Dimensions and/or Materials  
subject to change without notice

**TYPICAL SPECIFICATIONS:**

**\* GEFCO #PE109-XX Copper Slab Penetration:**

- brass water stop flange.
- bonding screw.
- 18" long.
- X" "TYPE L" copper tube (specify size pipe).

**\* GEFCO #PE109-XXP PVC Slab Penetration:**

- PVC water stop flange.
- 18" long.
- X" SCH 80 PVC pipe (specify pipe size).
